**THAT'S THE JOB OUR TROOPS STILL FACE OVERSEAS
AGAINST THE ENEMY, BUT IT'S ALSO THE JOB THEIR FAMILIES
FACE HERE ON THE HOME FRONT.**

Repairs for a broken AC unit. Car payments. Rent. Utilities. All of these obligations to meet in order to keep a family together under one roof, ready to welcome home their mom or dad, husband or wife from serving our country. Military Assistance Mission (MAM) is there to help with one-time emergency assistance to military families for when life happens and there isn't enough to cover the bills, just like these.

We need to remember our military. However, we often forget the everyday battles on the home front. Support these families who serve by supporting MAM. Your donation is tax deductible, and the State of Arizona will match your donation dollar-for-dollar with a tax credit. (*\$200 for individuals, \$400 for married couples*)

Please donate online today at **www.azmam.org**.
